Today's Hadith is about Ruling from The Guidance

It was narrated from Shuraih that: He wrote to 'Umar (RA,) to ask him (a question), and 'Umar wrote back to him telling him: "Judge according to what is in the Book of Allah. If it is not (mentioned) in the Book of Allah, then (judge) according to the Sunnah of the Messenger of Allah (peace be upon him). If it is not (mentioned) in the Book of Allah or the Sunnah of the Messenger of Allah (peace be upon him), then pass judgment according to the way the righteous passed judgment. If it is not (mentioned) in the Book of Allah, or the Sunnah of the Messenger of Allah (peace be upon him), and the righteous did not pass judgment concerning it, then if you wish, go ahead (and try to work it out by yourself) or if you wish, leave it. And I think that leaving it is better for you. And peace be upon you."

(Sunan an-Nasa'i, Vol. 6, Book 49, Hadith 21)

Alhamdulillah for this advice which translates into what to do in life when faced with any situation. What does the Qur'an or Sunnah say? What is the example before us? If the example isn't given, then can we use our intellect and the guidance given to do what we know is right, and if there's any uncertainty, then it's better to leave it. May Allah make us all of the righteous and help us to avoid that which is not beneficial insha'Allah!

Today's Beautiful Hadith is about Embracing Islam

Narrated Abu Sa'id Al Khudri (RA): Allah's Messenger (peace be upon him) said, "If a person embraces Islam sincerely, then Allah shall forgive all his past sins, and after that starts the settlement of accounts, the reward of his good deeds will be ten times to seven hundred times for each good deed and one evil deed will be recorded as it is unless Allah forgives it."

(Sahih al-Bukhari, Vol. 1, Book 2, Hadith 34)

_SubhanAllah! What a beautiful reminder! It's never too late to embrace Islam sincerely! Reflect, read, learn and grow, come closer to Islam. If you're a revert then Alhamdulillah, if you're born

into the deen and have come closer to it, then Alhamdulillah!_

Today's Beautiful Hadith is about Charity

It was narrated from 'Umar, meaning, from his father, his grandfather 'Umar, that: He gave a horse in charity at the time of the Messenger of Allah (peace be upon him), then he saw its owner selling it for a low price. He went to the Prophet (peace be upon him) and asked him about that, and he said: "Do not buy what you gave in charity."

(Sunan Ibn Majah, Vol. 3, Book 15, Hadith 2392)

When you give in charity with that intention, let it go. Do not worry about the materialistic value of things and know that the reward of your intentions lies with Allah alone. What a great Hadith to remind us to reflect and work on ourselves to attain a higher status where everything is fisabilillah!

Today's Inspirational Hadith is about Punishment

Narrated Ibn Mas`ud (RA): A man said, "O Allah's Messenger (peace be upon him)! Shall we be punished for what we did in the Pre-Islamic Period of ignorance?" The Prophet (peace be upon him) said, "Whoever does good in Islam will not be punished for what he did in the Pre-Islamic Period of ignorance and whoever does evil in Islam will be punished for his former and later (bad deeds).

(Sahih al-Bukhari, Vol. 9, Book 88, Hadith 4)

Hold yourselves accountable before you are held to account. Know that repentance wipes sins and what you did when you didn't know the truth will insha'Allah be eradicated by what you do once you come to realize it.

Today's Hadith is about Acting When Seeing Wrong

Abu Bakr As-Siddiq (RA) said: "O you people! You recite this Ayah: Take care of yourselves! If you follow the guidance no harm shall come to you. I indeed heard the Messenger of Allah (s.a.w) saying: 'When the people see the wrongdoer and they do not take him by the hand, then soon Allah shall envelope you in a punishment from him.'"

DAILY DAHWA

[7, ROBIU THANI 1441]

``Allaah is sufficient for us, Truth are the words Allaah ﷻ`

QURAN

If you obey and fear Allah, He will grant you Furqan [(a criterion to judge between right and wrong), or (Makhraj, i.e., a way for you to get out from every difficulty)], and will expiate for you your sins, and forgive you; and Allah is the Owner of the great bounty (8:29)

HADITH

Narrated Abu Umamah (رضي الله عنه) said: I heard Messenger of Allah (صلى الله عليه وسلم) during the sermon of the Farewell Pilgrimage saying, *Be mindful of your duty to Allah; perform your five daily Salat, observe Saum during the month (of Ramadan) , pay the Zakat on your properties and obey your leaders; (if you do so) you will enter the Jannah of your Rubb* [At-Tirmidhi].

Today's Beautiful Hadith is about Dajjal

Narrated Anas bin Malik (RA): The Prophet (peace be upon him) said, "There will be no town which Ad-Dajjal will not enter except Mecca and Medina, and there will be no entrance (road) (of both Mecca and Medina) but the angels will be standing in rows guarding it against him, and then Medina will shake with its inhabitants thrice (i.e. three earthquakes will take place) and Allah will expel all the non-believers and the hypocrites from it."

(Sahih al-Bukhari, Vol. 3, Book 29, Hadith 15)

Today's Beautiful Hadith is about Ablution

It was narrated from Ibn Abi Sa'eed Al-Khudri (RA) that his father said: "I passed by the Prophet (peace be upon him) when he was performing Wudu' from the well of Buda'ah. I said: 'Are you performing Wudu' from it when garbage is thrown into it?' He said: 'Water is not made impure by anything.'"

(Sunan an-Nasa'i, Book 2, Hadith 3)

We take water for granted as a purifying and purified source. We feel thirsty, it can be quenched by this natural blessing from Allah. Alhamdulillah for water which we use to wash ourselves and prepare for Salah.
